

🎃 It's Spooky Season Again! 🎃

Let's stir up some Halloween fun in the neighborhood!

Sign up your family to join the **“You’ve Been Boo’ed”** game!

Here's how it works:

1. One family will start and Boo a family.
2. They will pick a family from the Google Sheet to Boo
3. When you get Boo’ed...
4. Pick a family from the Google Sheet and put together a basket of goodies — sweet, spooky, or silly!
5. Then deliver it like a sneaky ghost!
 - Drop it off anonymously and vanish like a mouse, *or*
 - Say hello and spread some Halloween cheer!
6. It will continue till all participating families have been Boo’ed

Let’s get into the Halloween spirit — because there’s nothing more fun than a surprise at your door!
